

«Alania-Ossetia is one of the oldest cradles of Christianity»

On October 14, 2017, the President of the Russian Federation Vladimir Vladimirovich Putin signed Decree No. 480 "On the celebration of the 1100th anniversary of the Baptism of Alanya".

The celebration of the 1100th anniversary of baptism should become a landmark event for a number of subjects of the Russian Federation and the Orthodox community of Russia as a whole.

Preparation for the celebration of the 1100-year-old baptism of Alanya is of national importance.

In preparation for the historical anniversary, large-scale events will be held in the republic: exhibitions and festivals, the publication of books of the Alan Library series, the restoration of temples of the Alan era and the restoration of places of religious and cultural significance.

A special role in the organization of educational activities is assigned to the libraries of the Ministry of Culture of the Republic of North Ossetia-Alania, in the walls of which thematic evenings, meetings, lectures, talks, presentations, excursions on pilgrimage routes, etc. will be held.

The National Scientific Library of RSO- Alania has prepared an informative multimedia project «Alania-Ossetia is one of the oldest cradles of Christianity».

The author of the project: Liana Gobeeva, Chief bibliographer of IMD of National Scientific Library.

The compilers of the project: Liana Gobeeva, Chief bibliographer of IMD of National Scientific Library and Tamara Doeva, Chief librarian of IMD.
